## ✕ Principal's Message

Kia ora koutou

We are sad to announce that Uaina Leuluai will be leaving us at the end of this term. She is taking up a position at the Wellington Seventh Day Adventist School. We are very grateful for all the time and energy she has put in here at Cannons Creek School and wish her well as she starts this new chapter in her career.

Almost the end of the term but still many things on the go. We have several trips and visits happening. This week we had our Duffy Role Model Assembly with author Maria Gill. We have a show visiting on Thursday at 1:30; and on Friday Room 6 and 7 are out of the school to see a performance by the NZSO. Next week the whole school will be going to Brandon Intermediate on Wednesday.

Nga mihi

Katrina Day

## ✕ Wellington Rep

We are incredibly proud of Xcylaus who after success at our school cross country, went on to make it into the Wellington Regional Cross Country Team. He has been training hard in preparation for Nationals which are being held in Hanmer Springs next week.

Safe travels and good luck! We can't wait to hear about your adventures.

## ✕ Health and Safety

It is very important that we know who the students are on site in case of an emergency.

We ask that visitors sign in and out at the office. It is also especially important that if you are collecting children early or taking them out for appointments that both the office and the classroom teacher are aware of this.

## ✕ Variety Club

Variety Club offer sponsorship and support for some of our students. The only requirement is to have a current community services card. If you are interested please come and see Kerrin at the office and she can talk you through how to apply.

## ✕ Lost Property

We have a lot of lost property at the office, mainly sweat-shirts and jackets.

We will put it out on the library steps every day this week and encourage students and parents to identify their gear.

## ✕ Gallery

*On Tuesday morning we had our Duffy Role Model Assembly with author Maria Gill.*

Maria has written a number of non-fiction books. She shared some excerpts from these and got students involved in acting out parts of these.
